Client: Comfort Click Ltd

TESTING COMPLIANCE CERTIFICATE

Sample description: WEIGHTWORLD LIPOSOMAL VITAMIN C 1000 mg 180 CAPSULES - BATCH CODE: BP-CC-LVC-016

Sample arrival date: 26/03/2026

Sampling performed by: Client

Parameter	Reference standard / specification	Reference value
Staphylococcus aureus	Ph. Eur. 5.1.4	Absent in 1 g
TYMC	Ph. Eur. 5.1.4	<100 CFU/g
TAMC	Ph. Eur. 5.1.4	<10000 CFU/g
Salmonella spp.	Ph. Eur. 5.1.4	Absent in 10 g
Inorganic Arsenic	Client specification	0.5 mg/kg
Lead (Pb)	Reg. 2023/915 section 3.1.28	3.0 mg/kg
Cadmium (Cd)	Reg. 2023/915 section 3.2.21.1	1.0 mg/kg
Mercury (Hg)	Reg. 2023/915 section 3.3.2	0.10 mg/kg
Ethylene oxide + 2-chloroethanol (expressed as 2-CE)	Reg. (EU) 396/2005 as amended	<0.1 mg/kg

With regard to the analyses carried out, and taking into account the measurement uncertainty of each test, the analyzed sample is compliant with the limits established by the applicable legislation on contaminants in food products (Regulation (EU) 915/2023 and subsequent amendments), with the reference values applied to the product category (Ph. Eur. 5.1.4), with international standards, and with the client's specifications for non-regulated parameters.

Parameter	Declared value	Tolerance
Vitamin C	1000 mg/ 2cps	+50% -20%

The deviations between the measured values and the declared values fall within the tolerances set by the **"European Guidelines with regard to the setting of tolerances for nutrient values declared on a label (version December 2012)."**

The test report no. 26C22323 has been issued in compliance with the requirements of **ISO/IEC 17025**, in the version in force at the date of issue of this document.
